

BRADY APPOINTED GENERAL MANAGER OF WEST END CON.

**Former Superintendent of the Belmont
is Named to Succeed Ben F. Edwards
---Has Returned From the East.**

S. H. Brady, former superintendent of the Belmont property, and discoverer of the big ledge on the 1100-foot level, returned last night after an absence of about six weeks, spent principally in the east. Several days ago Mr. Brady was appointed general manager of the West End Consolidated Mining company, to fill the vacancy caused by the resignation of Ben F. Edwards of Oakland. It is the purpose of Mr. Brady's visit to make a thorough examination of the property he has recently become connected with.

In speaking of the impressions prevailing in the east regarding the Tonopah properties, Mr. Brady stated that their present view was optimistic in character and every broker in the leading cities, was intensely interested in the Nevada stocks.

"Outside of the leading industrial, Tonopah stocks are the feature," continued Mr. Brady. "The brokerage firms for the last two months, have taken more notice of the securities of the 'conservative

camp,' than they have for a long time. Information relative to important developments is eagerly sought and passes from office to office. The local stocks are strongly recommended to investors, and many of the late sales have been made to people who heretofore would deal in nothing but eastern securities, which tend to show that Nevada is again coming to the front as a mining state and is receiving the recognition due."

Mr. Brady stated that he had received word from Chris. Zabriskie, who is associated with Borax Smith, that he would visit Tonopah within the next week or ten days, to look after mining interests in this section. Mr. Zabriskie is one of the prime movers in the Ely-Goldfield proposed railroad, and his visit will mean considerable to the starting of the construction work on the route.

As to any change in policies in the development or management of the West End, the new general manager stated that so far as he knew, the same method of working this property would continue.

WHITE GIRL ELOPES WITH A JAPANESE

**MARRIED IN GOLDFIELD AND
CAME TO THIS CITY LAST
EVENING.**

The sight of a Japanese with an American wife caused quite a stir in the Mizpah hotel lobby last evening, and considerable speculation followed as the couple were shown to a room. The pair arrived on the evening train and registered as Mr. and Mrs. H. Y. Iuni from Los Angeles.

Information received from Goldfield state that the couple arrived there Tuesday night and registered at the Goldfield hotel. Early yesterday morning they appeared at the county clerk's office and requested a marriage license. The county clerk refused to comply with the request until after he had conferred with the district attorney, who in turn said that there was nothing in the Nevada statutes that made it illegal to furnish a Japanese and an American with a license. The legal document was then forthcoming.

The pair after leaving the court house hunted up Rev. Darnell, pastor of the Presbyterian church. Mr. Darnell refused to perform the ceremony, and then Judge Barnes, of the justice court was asked to tie the hymenial knot. This official stated that he was willing, after first securing the sanction of the girl's parents. He telegraphed to Los Angeles and notified the couple to return at 5 o'clock, as an answer would be received at that time. The girl objected to her parents being notified, saying that she was eloping with the Jap who had been a regular visitor at her home.

A return visit was made to the court house and after a short deliberation Judge Somers consented to perform the ceremony, which was done with the court house attaches acting as witnesses.

On the return to the hotel, the clerk, who in the meantime had been informed of the proceedings, notified the pair to leave. This was done and the Japanese and his bride traveled to this city on the evening train.

When securing the marriage license the bridegroom gave his age as 26 and stated that he was the proprietor of a store on Broadway avenue in Los Angeles. The bride gave her name as Vivian Blake-well, age 24, and gave the residence of her parents as Jefferson avenue, Los Angeles. She is an exceedingly beautiful girl, while her lord and master, from the land of the Mikado, has the regular Jap appearance.

GRAND LODGE MASONS ARE TO VISIT TONOPAH

On Friday evening the Tonopah Masons will entertain Grand Master Frank H. Norcross and Senior Grand Warden Davis, who will visit this city to be in attendance at the meeting. In addition to these two grand lodge officers, Grand Orator P. E. Keeler will also be in attendance. It is somewhat unusual for three grand lodge officers to be present on the same evening, and the local Masons are preparing for the occasions.

ST. MARK'S GUILD.

The regular meeting of St. Mark's Guild will be held at the Guild rooms, Friday, March 4th, at 2:30 p. m. All members are urgently requested to be present.

HEARING ON INJUNCTION ORDER BEFORE COURT

**SUIT IS BROUGHT AGAINST THE
ROUND MOUNTAIN MINING
COMPANY.**

Arguments on injunction proceedings were heard yesterday in the district court in the case of John F. Davidson versus the Round Mountain Mining company, whereby the plaintiff is striving to secure a restraining order to keep the defendant company from working in ground belonging to the former. The complaint states that the Round Mountain company has been mining ore belonging to the plaintiff for some time, and asks that he be awarded the sum of \$300,000 as damages which includes the value of the ore alleged to have been extracted. Plaintiff further stated that he was forced to use armed guards in order to safeguard his property.

CAUSTIC COMMENT.
Tonopah is deserving of credit for the stand it has taken on the "test" of the direct primary law. One of the best articles written on the subject appears in the Tonopah Miner (democratic) while the Bonanza (republican) is the only newspaper of its political faith in the state to come out openly in favor of the law.—Reno Revelle.

Eddie Rotholz, after spending three weeks in San Francisco, returned to this city yesterday. During his absence Mr. Rotholz has been occupied in purchasing up to date goods for the firm here and returns with an exceptionally large line of the latest post cards.

DISPUTE OVER WAGES RESULTS IN SHOOTING

**INDIAN WOUNDS W. P. BAKER
AT SPANISH SPRINGS ROAD
HOUSE**

Deputy Sheriff Vail Pitman, who was called to Spanish Springs and Manhattan Tuesday morning to investigate a shooting affray, returned yesterday. Mr. Pitman stated that Tang Darrow, an Indian, entered the home of W. P. Baker Monday night and engaged in a dispute over wages. Darrow had been employed for some time in hauling wood. Suddenly he drew a revolver and fired at Baker, the bullet entering the right wrist. Baker started to run to another room where he kept his revolver, and was again shot by the Indian. The second bullet entered the right hip.

Darrow then fled the scene and since that night the authorities have been unable to secure any trace of his movements. A good description has been sent the nearby officials and it is probable that he will be apprehended. It is thought he will endeavor to make his way south. Baker was placed under the care of Dr. McIntyre of Manhattan, and his condition is regarded as somewhat critical. Blood poisoning, it is feared, may result, although every precaution is being taken.

MANHATTAN BANK GIVES NOTICE OF LIQUIDATION

**NOTICE SENT TO DEPOSITORS
THAT ACCOUNTS WILL BE
SETTLED.**

Notices were received in this city yesterday to the effect that the Bank of Manhattan had decided to liquidate its business and retire from the banking field. The report caused considerable surprise for it will be remembered that this institution was one of the few in southern Nevada that was not entirely affected by the late panic which succeeded in closing the State Bank and Trust company and the Nye and Ormsby county strings of banks. The notice sent out is as follows:

Manhattan, Nevada, Feb. 23, 1910.—The Bank of Manhattan has decided to liquidate its business and depositors are requested to call and have their accounts settled as soon as possible. J. R. Van Harlinger, cashier.

On a recent visit of the state bank examiner, it is understood that this official reported the bank to be in a sound condition, which causes all the more surprise at the decision of the directors of the institution.

SOCIAL CLUB WILL ENTERTAIN TONIGHT

The members of the Tonopah Social club have arranged for another of their delightful social affairs this evening at the Miners' Exchange hall. The best of music has been contracted for and a general good time is assured all who attend. A competent floor committee will be on hand to see that dances are provided for everyone.
